WSU/Spokane County Extension
222 North Havana
Spokane, WA 99202-4799

Inland Empire Beekeepers Association Annual Class on Beekeeping

Our classroom instruction will begin on **February 25, 2012.** Registrations received after that class is filled (limit 50 attendees), will be registered for the second class, which will begin on **March 3, 2012.**

Students successfully completing the class will receive an IEBA certificate of completion and a one-year free membership to the IEBA.

Students who elect to take and pass all tests of the Washington State Apprentice Beekeeper program will be Washington State Certified Beekeepers and will receive a certificate - which is needed to meet some city and county code requirements to keep bees.

All classes will be held at the
County Extension
Education Center
222 N. Havana Street
Spokane, WA 99202

Please note:
This is a hands-on beekeeping course with 80% of the instruction being held outside during the Field Days. Bee suits will be required by your first Field Day.

Class Materials Provided

- WSBA Apprentice Booklet
- Basic Beekeeping Syllabus

Instructors for the class will be experienced Inland Empire Beekeeper Association members and special invited instructors.

The class is open to anyone interested in becoming a beekeeper, as well as those already involved in the art and science of beekeeping.
